CAREER FULFILLMENT FOUND TAKE A SPIRITUAL JOURNEY TO HAPPINESS AND THE CAREER OF YOUR DREAMS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 156 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. Career related stress, according to a recent survey, causes approximately one million workers in the United States to call in sick every day. That same study found 3 out of 4 Americans consider their work to be stressful, and 1 out of 4 considers their work to be the most stressful thing in their lives. While many find their career path to be stressful, many more feel trapped in a job that offers no sense of career happiness. They feel stuck in dead-end and unfulfilling jobs. Others, particularly in today's economy, are out of work all together. What if for a moment you were to stop and consider the possibility that the lack of career fulfillment you have experienced has happened for a reason. What if all of the anguish your career path has caused has led you to this very moment, where you can unlock the secret to true career happiness and in turn a happy life. The book Career Fulfillment Found (along with a complimentary workbook available on the book's website) was created to be a career guide for those seeking career happiness. Perhaps you have looked high and low and fought for career fulfillment and have yet to find it. Or more likely, you've resigned yourself to work that gives you no sense of career happiness and satisfaction. Whatever the reason for your lack of career happiness, I implore you to look for the career fulfillment you deserve in the one place you most likely have never thought to look before: within you. By taking the Career Fulfillment Found journey, you will discover: The thought patterns and emotions that have kept you from finding the...
