

IN THE SERVICE OF LIFE A Wiccan Perspective on Death

Filesize: 4.37 MB

Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

IN THE SERVICE OF LIFE A WICCAN PERSPECTIVE ON DEATH

DOWNLOAD

Citadel, 2003. Softcover. Book Condition: New. The only book available that addresses exclusively Wiccan approaches to death, *In the Service of Life* is a gentle and straightforward meditation on mortality, death, and the afterlife. The attitudes reflected here honor the Pagan respect for the whole of life, of which death is simply another aspect. Blending common sense, Wiccan theology, experience, and compassion, here is a unique exploration of one of society's last taboo subjects. Addressing both spiritual and physical concerns, Ashleen O'Gaea provides thoughtful and thorough advice on a variety of topics from theology and ritual to spells and thoughts on reincarnation. Readers will explore such rituals as Affirmation of the Flowers, Rituals for a Child's Death, Sparkler Ritual, and Poems and Songs. The practical side of death and dying includes explanations on the Hospital Ritual, how to handle funeral arrangements, and even what to do in the event of a suicide. This seminal -- and comforting -- book combines the compassion of Elisabeth Kubler-Ross with the sensibilities of the Pagan religion to teach readers how to cope with losses, both old and new, and how to find hope for the future. -- Includes a glossary and bibliography and an introduction to Wicca. 240315 Elizabeth's Bookshops have been one of Australia's premier independent book dealers since 1973. Elizabeth's family-owned business operates five branches in Perth CBD, Fremantle (WA), Sydney CBD and Newtown (NSW). All orders are dispatched within 24 hours from our Fremantle Warehouse.
