IS THERE REALLY A HUMAN RACE?

HarperCollins, 2006. Hardcover. Book Condition: New. Is there really a human race? Is it going on now all over the place? When did it start? Who said, "Ready, Set, Go"? Did it start on my birthday? I really must know. With these questions, our hero's imagination is off and running. Is the human race an obstacle course? Is it a spirit? Does he get his own lane? Does he get his own coach? Written with Jamie Lee Curtis's humor and heart and illustrated with Laura Cornell's worldly wit, *Is There Really a Human Race?* Is all about relishing the journey and making good choices along the way--because how we live and how we love is how we learn to make the world a better place, one small step at a time. "Starred Review. Kindergarten-Grade 3--Curtis writes so very well, in infectious toe-tapping poetic form, of the inner thoughts and worries that children struggle with all too frequently. Here, a boy asks his mother the title question. He continues, If the race is unfair, will I succeed? His mother tells her son that it's often better to help others and make the world a better place than to win first place in a foot race. Cornell's ink-and-color wash cartoons are a perfect match to Curtis's lilting text. The detailed spreads will fascinate young readers. For instance, on the page on which the child asks, ?is Dad on my team? the illustrations show his father, grandad, and a multitude of ancestors back to cavemen. When he worries about making the wrong turn, a maze full of children of different ethnicities is depicted. This book should be enjoyed by the whole human race."--Alice DiNizo, Plainfield Public Schools, NJ in School Library Journal Jamie Lee Curtis is the author of eight best-selling children's books...
