Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Bradshaw's Guide: Surrey & Sussex Railways: London, Brighton & South Coast: Volume 11, Simon Jeffs, John Christopher, The LBSCR was the main route connecting London with Brighton and the pleasures of the South Coast resorts. In this latest volume Bradshaw takes us on the journey and, via the numerous branch lines, also explores the coastal lines, westwards to Chichester and eastwards, on the Brighton and Lewes branch to Eastbourne, St Leonards and Hastings. The network of branch lines within Surrey and Sussex reaches a number of destinations including Croydon, Redhill, Reigate, Dorking, Guildford, Epsom, East Grinstead, Horsham, Uckfield and Battle, and in the north of Surrey the LSWR loop takes in Richmond and Kew. 'Seldom has the gigantic intellect of man been employed upon a work of greater utility.' Punch, in praise of Bradshaw's publications. Bradshaw's guide was published in 1863, not that long after most of the railway network had been completed. It gives the reader a unique insight into the world of the Victorian railways and goes beyond the engineering aspects to record the sights to be seen in the towns and cities encountered along the way. Local author and railway expert Simon Jeffs accompanies Bradshaw's original text with contemporary images and many new colour photographs of the same journeys today.
