

## Ergonomics for Beginners: A Quick Reference Guide (3rd Revised edition)

By Jan Dul, Bernard Weerdmeester

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, Ergonomics for Beginners: A Quick Reference Guide (3rd Revised edition), Jan Dul, Bernard Weerdmeester, Loaded with information on the design of work systems, workplaces, and workstations as well as human anthropometrics, Ergonomics for Beginners: A Quick Reference Guide, Third Edition provides a useful quick reference and valuable tool for novices and experienced professionals alike. Retaining the features that made each previous edition a bestseller, the authors have meticulously revised the information to address rapid developments in information and communications technology, offering ergonomics advice on topics such as wireless, remote, and hands-free controls, website design, mobile interaction, and virtual offices. Understand the Utility and Limitations of Modern Technology In their trademark, eloquent style, the authors explain the application of a human-centered approach to the design, testing, and evaluation of work systems by considering the interrelated set of physical, cognitive, social, organizational, and other relevant human factors. Their elemental, but comprehensive, treatment of the subject matter provides an authoritative and archival reference of basic theoretical and practical knowledge that will help enhance human performance and reduce the undesirable effects and unintended consequences of many human interactions with technology and the organizational environment....
