INFINITY S SHORE (PAPERBACK)

Bantam Doubleday Dell Publishing Group Inc, United States, 1998. Paperback. Book Condition: New. Reprint. 165 x 107 mm. Language: English . Brand New Book. David Brin s first Uplift trilogy-- Startide Rising, The Uplift War, and Sundiver --stands as one of the most beloved and extraordinary science fiction sagas ever written. Winner of the prestigious Nebula and Hugo Awards, the Uplift saga has more than one million copies in print. After an eight-year absence, a long-awaited second series returned readers to the Uplift universe in Brightness Reef. Now David Brin continues this bold new trilogy with an epic of passion, imagination, and adventure, as a peaceful planet with a strange hybrid culture collides with an enigmatic Galactic empire. For two thousand years, Jijo, planet of fugitives, has sheltered six bands of sapient beings, each with a different reason for fleeing the ancient civilization of Five Galaxies. As starships fill Jijo s skies, humans and other settlers realize that things are even worse than that. With galaxies in turmoil, all the venerable laws have been cast aside. Now meddlers, criminals, and fanatics feel free to plunder this isolated world or carry out ancient grudges, including genocide for one of Jijo s six races--and possibly for all. Amid this crisis, human settlers and their neighbors must make heroic--and terrifying choices. A scientist must turn against the benefactors she d been trained to love. A heretic finds himself called upon to rally believers in a cause he never shared. Andfour youngsters from...
