

## Italian Army and Effects-Based Operations: A New Concept for an Army of Use

By Roberto Viglietta

Biblioscholar Nov 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x4 mm. This item is printed on demand - Print on Demand Neuware - The purpose of this monograph is to explore what part of the emerging concept of Effects-Based Operations is relevant to the way the Italian Army is heading towards the future. Specifically, given the experience of the Italian Army in stability and reconstruction operations, its organizational structure and the peculiar capabilities expressed by its soldiers, this monograph searches for a viable translation of the effects-based operations construct to facilitate ongoing and future operations. Interest in, and contribution to, the development of the effects-based operations concept has great importance for the Italian military because in its adaptation process it might provide a framework that could drive further changes. Moreover, there is a constant necessity for the Italian Armed Forces, and the army in particular, to maintain a common doctrinal understanding with its allies and partners with which they combine to conduct operations, and who are also looking with interest at effects-based operations. The method chosen is to compare the evidence on Italian experience in past and ongoing operations with the effects-based approach in order to derive a functional application of...

### Reviews

*These sorts of pdf is the greatest publication readily available. It can be rally intriguing throug looking at time. You can expect to like how the blogger publish this book.*

-- Prof. Eric Kuvallis II

*I just began reading this pdf. It is actually writter in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
