

The role of London as an offshore financial centre in the liberalisation of international finance since the Second World War

By Jan Fichtner

GRIN Verlag Okt 2007, 2007. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Politics - International Politics - Topic: Globalization, Political Economics, grade: 1,7 (A-), University of Sussex, 0 entries in the bibliography, language: English, abstract: This paper deals with the question whether the City of London acted as an offshore financial centre since the Second World War. This in turn is linked to the specific role London played in the liberalisation and deregulation of international finance which took place at an increasing pace since the 1970s. Special attention is paid to the rise of the so-called euromarkets and why this development was tolerated by the Bank of England. 16 pp. Englisch.

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
