Brand New Book ***** Print on Demand *****.DISCOVER THE QUIET KILLERS: DISEASES OF THE MIND ===== Most killer diseases come from the disease of the mind. What a man eats and drinks is not the only cause of disease, but the state of his mind if unchecked and regularly renewed by the Word of God can cause many infirmities of the body. The diseases of the mind are quiet but very dangerous killers. They usually start from a wrong thought, an unpleasant event or experience, negative things we have heard other people say about us, sexual harassment or abuse, lose of a loved one, disappointments, low self-esteem, etc. When the diseases of the mind creep in, they do so subtly and unsuspectingly. Their operations are not usually seen because they work from within the mind or the heart. They are usually patient in their work, working slowly and tearing down a man s health, until they have fully created strongholds with deep roots in a man s life which will eventually lead to sickness, or some sort of evil occurrences. We all have unpleasant experiences...
