

Meet the Apostles: Biblical and Legendary Accounts (Paperback)

Filesize: 6.87 MB

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

MEET THE APOSTLES: BIBLICAL AND LEGENDARY ACCOUNTS (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All Christians are familiar with the fact that there were twelve original apostles. The names Peter, John, James, Doubting Thomas, Judas Iscariot, etc. are household words. However, many Christians would be hard-pressed to name all twelve of the original apostles, impeded in part by the fact that at least two apostles have different names in different New Testament books. Even more difficult would be the task of naming the other people (excepting Paul) in the New Testament that have the word apostle associated with them. This book will look at all of the apostles mentioned in the New Testament, using Biblical and Legendary Sources such as the New Testament, and the works of Eusebius, Hippolytus, Irenaeus, and Flavius Josephus. Part One of this book will focus on The Twelve apostles chosen by Jesus. Part Two of this book focuses on apostles named in the New Testament outside of the Twelve, including Paul, James the Just (the brother of Jesus), Barnabas, Matthias, Andronicus and Junias. An appendix, Leadership in the Early Church, compares and contrasts the role of the apostles with other leaders, such as deacons, bishops and elders.
