Autism Asperger Publishing Co. AAPC, 2008. Hardcover. Book Condition: New. Imagine spending a year in middle school without being able to talk with friends or understand the Recognizing and interpreting facial expressions and the feelings they represent poses great challenges for children with language and communication difficulties, including those with an autism spectrum disorder. This strikingly illustrated book helps young readers link faces to feelings by presenting situations they can all relate to. Each page spread is devoted to a feeling expressed through an exaggerated facial expression accompanied by a short poem that further elaborates on the expression to reinforce its meaning. This is a book particularly for parents, general and special educators (Gr 3-5), and OT's. The Foreword by Diane Twatchman-Cullen includes activities designed to help children develop the skills necessary to recognize common facial expressions using the accompanying poster-size chart of the twelve basic feelings covered. A creative and rhythmical tour of basic feelings, facial expressions, and gestures with a foreword by Dr. Diane Twachtman-Cullen that will bring this resource to life. Catherine S. Snodgrass has the talent to address the complexity of emotions with disarming simplicity and charm. The result is a sure winner among educational resources. -- Carol Gray, director, The Gray Center The puzzle, what-the-heck does that facial expression mean, is finally solved in Catherine S. Snodgrass's book What's That Look on Your Face? While this book is a fantastic resource for children with autism spectrum disorders, I venture to say adults on the spectrum might enjoy it, too! I know I did! -- Liane Holliday Willey, Ed.D., author of Pretending to be Normal: Living With Asperger's syndrome This is a phenomenal children's book. The unique style of the illustrations is incredibly expressive and engaging, which is particularly important when the book's primary purpose is...
