

Taming Your Television: And Other Daring Feats for Your Living Room

By Steve Kovsky

Que Corporation, U.S. Paperback. Book Condition: New. This item is printed on demand. Paperback. 312 pages. Take control of your digital living room! Make your TiVO, UltimateTV, Xbox or GameCube do your bidding. We show you how to use these PCs in sheep's clothing to be king of your domain (or at least the area immediately surrounding your recliner). Like the plot from a circa 1950s sci-fi film, computerized look-alikes have surreptitiously replaced our VCRs, our video game consoles. . . even our televisions and stereos. While the advantages that these digital entertainment devices (DEDs) offer over their analog predecessors are immense - so is the potential for sensory and information overload. Unlike the benign appliances we grew up with, these new digital wonders demand much more from us than the simple ability to turn them on and off. Its time to take control, put them through their paces, show them whos boss. The revolution in your living roomThe same forces that revolutionized the workplace during the past 25 years are now at work in our homes. The PCs in our dens were only the forerunners of this computer revolution. The real fireworks are taking place in the living room, where...
