Brand New Book ***** Print on Demand *****.Times are hard for the survivors of the fall of civilization, but when The Hellhounds come, all hope is lost. They come in packs, striking at night, brutally murdering all in their path, and leaving a trail of blood and ash in their wake. Some say they are demons. Others say they are were-wolves. All anyone seems to know for sure is that the Hellhounds have killed their way across the land and have remained unchallenged. Until now, for the next house on their path of destruction is the home of a man feared by all who know him. Some call him a killer. Some call him a monster. Like so many survivors of The Fall, he left his name behind with the memories of those he s lost. Now he is known only as. Vanguard.
