Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. Dad, do ALIENS EXIST?! Outer Space is filled with many unusual and sometimes downright strange phenomenon! Black holes, exploding stars, and fiery asteroids are just a few of the outlandish things that can be found in the Universe, so it is important to understand how they work, because we share our home with the rest of Universe. The more we know about outer space, the deeper appreciation we can have for our place in the Universe and our own relationship to our home planet. So if you re interested in astronomy, physics, science, or you are simply a very curious fellow, come along for a ride through space and get answers to everything you ever wondered about the Universe (and as a BONUS, you ll also learn some really weird facts to impress your friends with)! Here are just a few of the things you ll finally have the answers to: Why are planets round? What would happen if an asteroid hit Earth? What is a black hole? Do other planets like Earth exist? So come explore, and learn about the UNIVERSE!.
