PROMOTING THE BEST ENLISTED LEADERS

Biblioscholar Okt 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x2 mm. This item is printed on demand - Print on Demand Neuware - The current enlisted promotion system provides a fair and visible way for enlisted members to get promoted. However, does this system promote the Air Force's best leaders into the Senior NCO ranks and does it promote them more quickly than lesser leaders While the Weighted Airman's Promotion System does adequate job in this regard, the system makes it difficult to distinguish exceptional leaders from average ones. Outstanding leaders do not receive the points-credit they deserve for top-tier performance. In addition, some below average enlisted members who are not strong leaders make it into the Senior NCO ranks due to longevity and/or testing well. Modifications to the current system will alleviate these issues. Certainly, the enlisted promotion systems of sister services prove instructive when considering possible changes to the Air Force system. Overall, changing the WAPS points-allocation, adding an E-7 operational board, and increasing Stripes for Exceptional Performers allotments will make the necessary corrections to the system. 32 pp. Englisch.
