Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

From the publisher: "For Now is the result of filmmaker Michael Almereyda's year-long rummage through the Eggleston archives, a remarkable collection of heretofore unseen images spanning four decades of work by one of our seminal artists. Unusual in its concentration on family and friends, the book highlights an air of offhand intimacy, typical of Eggleston and typically surprising." From Michael Almereyda: "William Eggleston's photographs are always about looking. They distill a sense of heightened attention--alertness, anticipation, awe--from fragments of ordinary, unmanipulated reality. But the 'ordinary' in Eggleston is often charged with an air of mystery and menace, a Halloween atmosphere leaking into every season he records. A quality of vulnerability and play converges with unease, dread, the possibility of mayhem. This new book, William Eggleston: For Now, presents over 90 previously unpublished color photographs pulled from Eggleston's back files, spanning four decades of work.
