The art of keeping a systematic record of business transactions, so as to show their relation to each other and the state of the business in which they occur; art of keeping accounts. (Webster.) The art of recording business transactions, with the view of having a permanent record of them and of showing their effect upon wealth. (Lisle.) Methods. As to the methods of keeping the records, bookkeeping many be divided into two classes: Single Entry and Double Entry. Single Entry. Single Entry, or Simple Entry as it is sometimes called, is a name given to any of the various plans of recording transactions which show them only in the relation they bear to persons. Its form and completeness depend greatly on the knowledge and ingenuity of the person keeping the records. In many cases there is just an ordinary ledger, such as is used in double entry bookkeeping, with date, explanation and money columns aranged for both charges and credits, and with an account or page for each person. The party keeping the record, records the items or transactions in the order of their occurrence on either the debit or the credit side as the case may be. He usually outlines the transaction rather fully in the explanation columns and keeps a fairly complete record.
