Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest pdf for ever.

Johann Kuhnau, revered organist of the Thomaskirche, suddenly dies, leaving his post vacant. The town council invites musicians to audition for the coveted position, among them young Johann Sebastian Bach. In an age where musicians depend on patronage from the nobility or the church to pursue their craft, the post at a prominent church in a cultured city is a near guarantee of fame and fortune -which is why some of the candidates are willing to resort to any lengths to secure it. BACH AT LEIPZIG is a fugue-like farcical web of bribery, blackmail, and betrayal set against the backdrop of Enlightenment questions about humanity, God, and art.
