Reviews

*Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HOUSE OF THE DEAD OR PRISON LIFE IN SIBERIA (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In the midst of the steppes, of the mountains, of the impenetrable forests of the desert regions of Siberia, one meets from time to time with little towns of a thousand or two inhabitants, built entirely of wood, very ugly, with two churches—one in the centre of the town, the other in the cemetery—in a word, towns which bear much more resemblance to a good-sized village in the suburbs of Moscow than to a town properly so called. In most cases they are abundantly provided with police-master, assessors, and other inferior officials. If it is cold in Siberia, the great advantages of the Government service compensate for it. The inhabitants are simple people, without liberal ideas. Their manners are antique, solid, and unchanged by time. The officials who form, and with reason, the nobility in Siberia, either belong to the country, deeply-rooted Siberians, or they have arrived there from Russia. The latter come straight from the capitals, tempted by the high pay, the extra allowance for travelling expenses, and by hopes not less seductive for the future. Those who know how to resolve the problem of life remain almost always in Siberia; the abundant and richly-flavoured fruit which they gather there recompenses them amply for what they lose.
