

## Why Revival Tarries

By Leonard Ravenhill

Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, Why Revival Tarries, Leonard Ravenhill, Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. Why Revival Tarries contains the heart of his message. A.W. Tozer called Ravenhill "a man sent from God" who "appeared at [a] critical moment in history," just as the Old Testament prophets did. Included are questions for group and individual study. Ravi Zacharias refers to this as "the book that shaped me more dramatically than any other."

### Reviews

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Sallie Wiegand**

*A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
