AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book of puzzles; every page is a puzzle with pieces you have to put together. You have to read in-between the lines, and sometimes you just need to read the lines. It s not something you may pick up to read from front to back in one sitting, every poem is a different mood, thought, or situation. I expect there will be a couple of poems that you read everyday, for words of encouragement, or whatever it may be, at the very least they ll put a smile on your face. Everything I have to say about this book is pretty much in the book, but I will stress one thing: You re not alone, whatever you can relate to I ve already been through it, and if there s nothing else you take from this book. I want you to come out with the understanding that you re not alone, somewhere in this world others are going through the same thing, we will get through it; you will get through it.
