Createspace Independent Pub, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Lorraine Brodek has put together some of the most entertaining and challenging coloring books. Each page is a game, a puzzle, and a design (3 kinds of fun in 1) that you create by following the code and filling in the blank grid . . . thus a grid riddle (hence, Griddle).For the benefit of kids, "chart art" pulls them away from electronic screens, both big and small. They can enjoy pencils and colors in their hands, while they create pictures that evolve on paper. Griddles will get their thought process going, along with problem solving, and discovery not to mention hand-eye coordination and motor development. Its also a learning tool for numbers and letters on the printed page. For adults who enjoy a variety of art projects, chart art is like watching a picture come to life. They will become engrossed and focused while following the codes and clues to solve the colorful Griddles. But wait! Theres more the finished designs can also be translated into many types of stitchery activities. And, for seniors, chart art is a type of cognitive therapy for concentration, its good for dexterity, and its just plain fun. Plus, the books make great gifts for grandchildren!There are blank pages included between designs that absorb ink or gel in case you like to use pens, and the extra paper is a great way to test your colors. In addition, there are some extra blank grids in the back, as well as a line guide to help you follow the grids, along with black and white solutions, but try not to peek. Vol. 1 (older kids small-grid version) has 20 designs, and Vol. 2 (younger kids large-grid...
